OFFICE OF THE
MAHARASHTRA STATE
BOARD OF WAKFS,
PANCHAKKI, AURANGABAD.
DATED: 13-10-08

D1095

To,
The Trustee,
Peer Baghdadi Dadar Dargah Trust,
Dadar, Mumbai.

Subject: - In the matter of alleged unauthorized construction on the premises of Peer Baghdadi Dadar Dargah Trust (under section 25(1)(c) and 32 of Wakf Act, 1995)

Reference: - Maharashtra State Board of Wakfs Resolution No. 39/2008 dated 27th May 2008

This matter was initiated on the telegram received by the Chief Executive Officer, Maharashtra State Board of Wakfs from one Shri Ejaz Shaikh of Mumbai complaining about the illegal and unauthorized construction on wakf land by Visava Hotel. Accordingly as empowered under section 25(1)(c) of Wakf Act, 1995, a notice dated 19.7.07 was issued to the chairman of the Peer Baghdadi Dadar Dargah Trust and one Shri Vijay Shetty, proprietor Hotel Visava who was alleged to have initiated construction. The parties appeared before the Chief Executive Officer on 3.9.07. On the same date one Peer Baghdadi Khidmat Committee appeared through Shri Tareq Chunawala as an intervener in this matter.

The Peer Baghdadi Khidmat Committee submitted a detailed complaint against the said trustees and the developer. All these concerned parties were later on heard on various dates. Advocate Sageer Ahmed, Advocate S. R. Nehri for the trust, advocate Reshabh Shah for developer and Advocate S.M.A.Kazmi for trustees and Shri Tarique Chunawala for Khidmat Committee argued the matter. The interim directions of status quo were given in the matter.

The complainants including Peer Baghdadi Khidmat Committee have raised an objection against the development agreement and supplementary agreement signed between the trustees and the developer. The main grievances of the complainant were as follows:

1. The agreement and supplementary agreement are not as per law.
2. There is no sanction of Maharashtra State Board of Wakfs for the transfer of wakf property.
3. There are no competitive bids called for the purpose.
4. The available FSI of the Masjid is not being properly utilized.
5. A cost which is being accepted by the trustees from the developer is very meager.

The learned counsel for the trustees has submitted that the agreement was finalized with the consent of all the trustees, considering the limitation that the premises which is to be developed is already in the possession of Shri Vijay Shetty, the proposed tenant/developer. It is further submitted on their behalf that the property will remain in the ownership of the wakf and developer will be using it as a tenant. It is further submitted by them that the construction has already been started; plan has been approved by the concerned authorities.

D 109

In the meanwhile the trustee Shri Fareed Abdul Lateef Noorani had submitted his application requesting to withdraw his consent to the agreement.

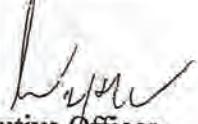

After hearing all the parties and perusing the record, I am of the opinion that the agreement with the developer / tenant Shri Vijay Shetty was signed by all the four trustees. After the intervention of Maharashtra State Board of Wakfs two of the trustees have attempted to withdraw their consent to the agreement and one of them later on retracted. Accordingly, agreement was signed and plan was approved. It is however apparent from the agreement that the property is being assigned to the developer / tenant on a long term basis which although may not be covered under the definition of sale and therefore may not attract the provisions of section 51 of Wakf Act, 1995, however the cost and the rent which the trust will be getting is not based on the competitive offers or bids. Therefore the development agreement signed between the trustees and tenant/ developer should be amended suitably.

However since the agreement has been signed by the trustees and it has been partly executed and developer / tenant has invested sufficient fund, the FSI cannot be used by the trust and the access is only from Visava Hotel, therefore cancellation of such agreement at this stage may invite financial liability and damages to this wakf / Trust.

I am therefore of the opinion that the wakf Board may decide this issue under provisions of section 32 of Wakf Act, 1995 and may direct all the trustees to decide this issue afresh. This wakf should also reconsider the necessity of such development and proper financial return which this wakf must gains from the deal.

I therefore propose that Board may pass following order:

1. The trustees should reconsider this issue afresh and decide the issue by majority of votes in a special meeting.
2. The agreement or supplementary agreement should be reconsidered for rent along with the amount to be paid amended suitably.
3. In view of above situation, the interim orders or directions given by the Chief Executive Officer, Maharashtra State Board of Wakfs shall stand withdrawn.
4. Parties may be informed accordingly.

Chief Executive Officer
Maharashtra State Board of Wakfs
Aurangabad.
